DEDICATION TO THE SENIOR CLASS OF 1960

At graduation time a Senior is a most remarkable person; for he is living in the past, the present, and the future all at the same time.

He lives . . .

. . . in the past, because he has been building his foundation for today.

. . . in the present, because he is a Senior planning his foundation for the future.

W. L. L. . . . in the future, because he knows it holds the key to success.

The final step of twelve years of schooling is about to be reached as the Senior prepares for graduation. At this meaningful time a giant stone of knowledge will be added to his foundation.

Not only will the Senior have this knowledge, but also many pleasant and treasured memories of his days at Lincoln High. He will remember his mixed emotions as he attended the thrilling games, cheered his team to victory, and sang the Alma Mater. He will remember the class leaders that strived to make the Class of 1960 bigger and better. He will, also remember—starting the first Senior Fall Production, Senior Night, and Senior Lunch Line—Senior Play and Senior Ditch Day—and will look forward to Senior Breakfast, Vespers, and finally, Commencement.

As a result of the Senior's contributions to Lincoln High and his exemplary attitude, the 1960 Statesman is dedicated to the Senior Class of 1960.

THE ANNUAL STAFF

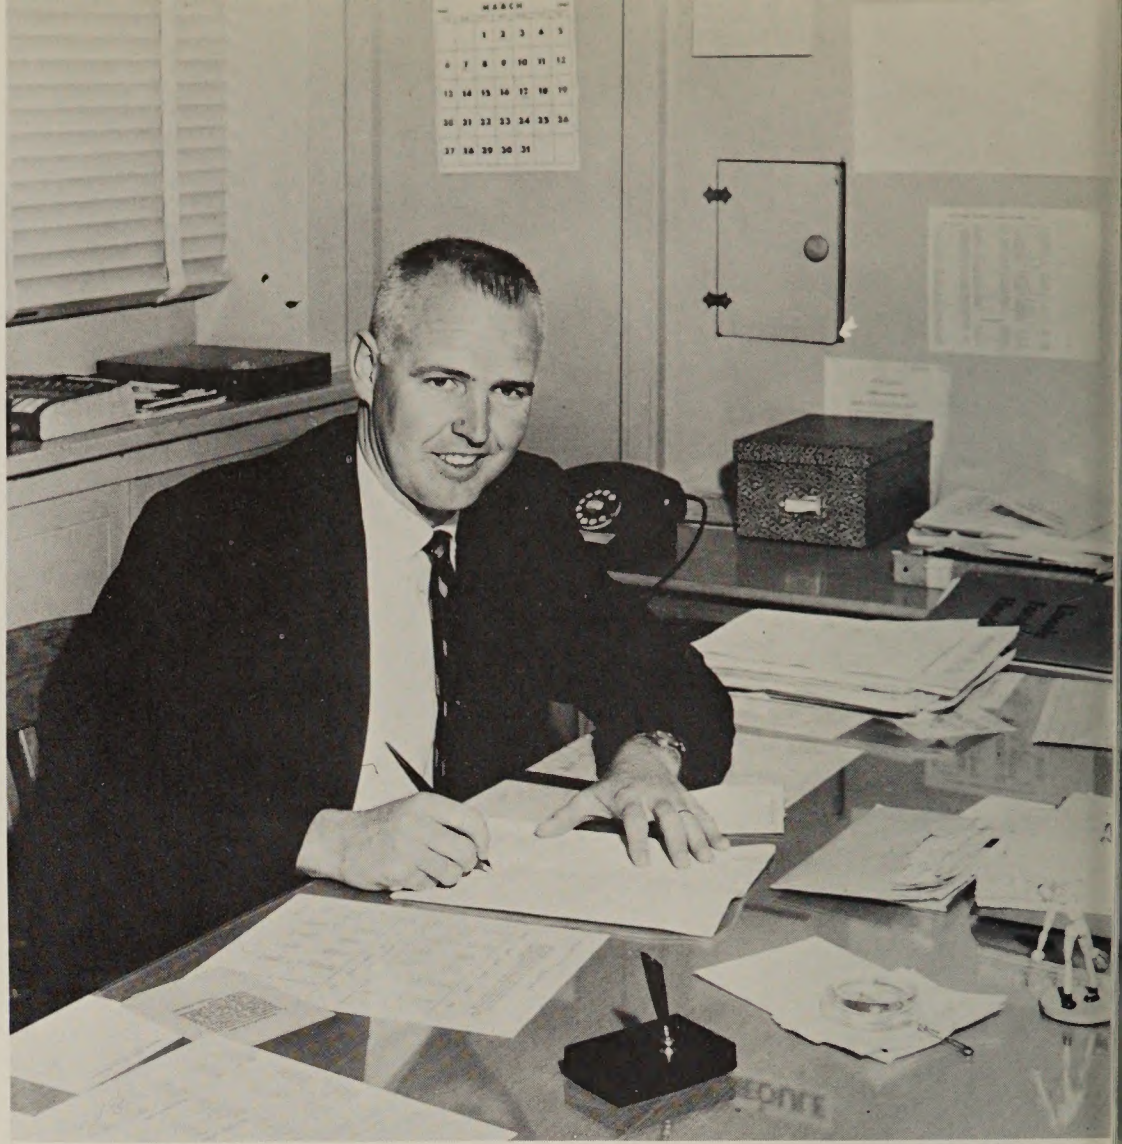

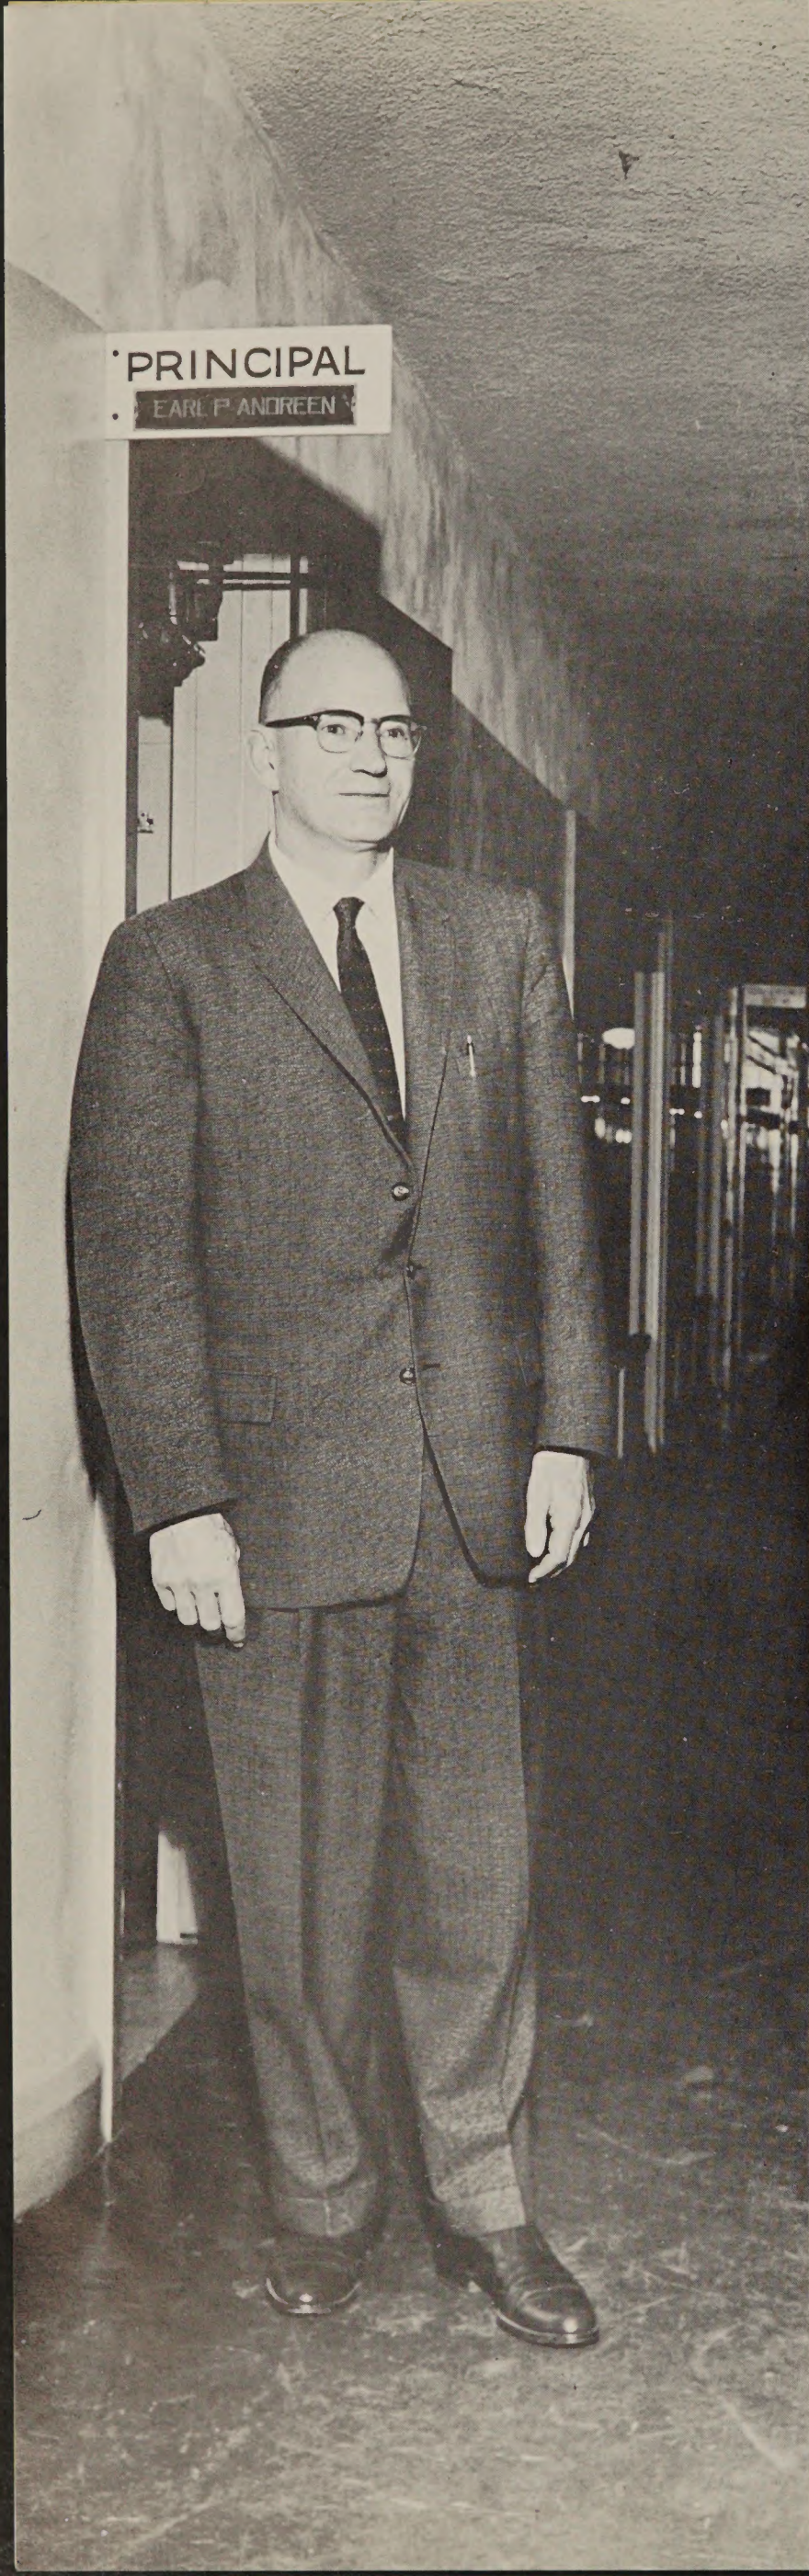

Mrs. Merrill,

It has really been a pleasure
being in your classes. I feel as
if I have actually learned some-

your husband have a wonderful

BOYS OF THE MONTH

Throughout the year, there are different boys that stand out at school for various reasons. The Boys' League Federation acknowledged these boys and chose them respectively each month as the outstanding boys at Lincoln.

They may have been chosen because of their athletic ability, school service, speaking ability, scholastic achievements, or for any number of reasons.

These boys should feel greatly honored to be the "Boys of the Month" for the year 1959-60.

ANNUAL STAFF

Drawing layouts, taking and re-taking pictures, writing copy, trying to stay within your budget, and rushing to meet our ever nearing deadlines, were some of the problems we met while working on the "Statesman."

With the guidance of Mr. Perkins, our able advisor, we finally reached our goal of presenting the students of Lincoln High School with a pictorial record of their 1959-60 school year.

We sincerely hope you enjoy this annual as much as we enjoyed working on it.

Hornets Improve '58 Mark

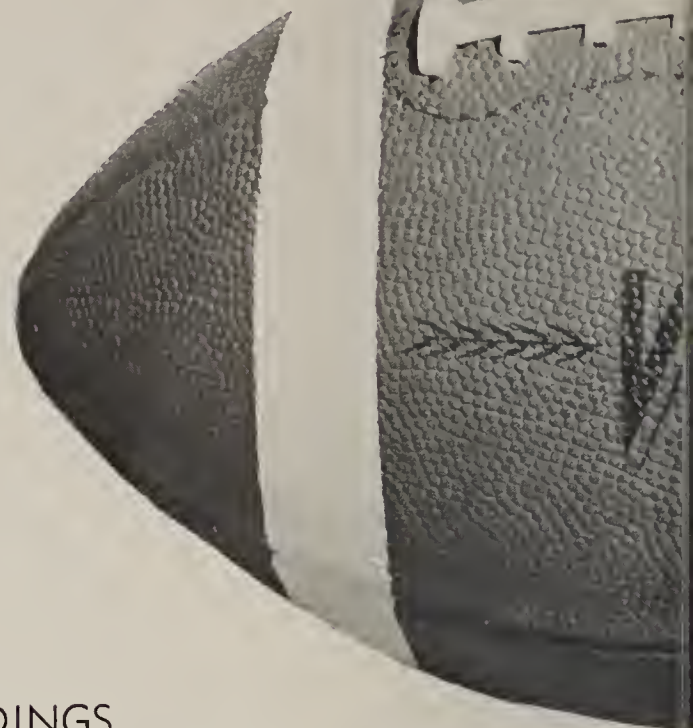

Operating in the newly formed Eastern League, the 1959 Lincoln Varsity Football team posted a 5-3 record and placed third in the final standings.

With just three returning lettermen with which to start the season, head coach Deniston had to rebuild the squad with juniors.

A running attack was employed by the men in green due to an abundance of speed in the backfield.

Three Hornet footballers were selected to the All Eastern League Team by the coaches. Gary Rice, Ralph Polston and Nolan "Dickie" McFarland a junior won the honors. Polston was "Most Improved", and a co-captain along with Walter Halley. Don McDonald was named "Most Valuable" and "Most Outstanding" for Lincoln and Joe Cisterna the "Best Blocker"

Determination, spirit and depth are the three things that have made the 1959 grid season a memorable one to the fans as well as to the players.

LINCOLN vs. PACIFIC

The Hive's traveling game was with Pacific High of San Bernardino. Here a fired up Lincoln eleven won in the last minutes of the game, 13-6.

The line held up good, enabling Don McDonald to pass to Steve Ojetti for a touchdown which covered 20 yards. The next touchdown was scored by half back Walter Halley who ran wild for 63 yards around an end.

LINCOLN vs. MISSION BAY

In a non-conference game, Lincoln ran up its biggest score of the year and the second highest ever by a Hornet eleven by beating Mission Bay 44-0, on McMullen Field. The Hornets ran away from the Buccaneers in every quarter.

LINCOLN vs. CLAIREMONT

Against Clairemont, Lincoln scored a touchdown in every quarter except the third, in a 19-0 contest.

Gary Rice, Ralph Polston and Richard Howell combined forces on the line to stop the powerful plays that the Chieftains ran. Besides bringing down their powerful runners, these boys opened up holes for such ball carriers as C. D. Lowery and Walter Halley.

LINCOLN vs. SAN DIEGO

Spirits were high as two rivals, San Diego and Lincoln met in Balboa Stadium in a game which saw the powerful Cavemen come out on top 32-0.

At first it looked as if Abe's Boys were going to stop the Blue and White but they had too much speed and depth for the Hornets. The Hivemen came close to scoring several times and gained more first downs than did San Diego but found the going rough

LINCOLN vs. HOOVER

The Hornet-Cardinal football rivalry provided excitement again this year. It also provided Lincoln with a 20-6 victory which snapped a four game winning streak in as many years by the Red and White, and marked the first time Lincoln beat Hoover in football.

Cisterna caught a Hoover pass deflected by Del Cooper and ran 52 yards for a touchdown to start a rally. From here, speedsters Adam Cato, Gordon Riddick and Don McDonald carried the load for Lincoln by running up the yardage and the score.

LINCOLN vs. CRAWFORD

During our second annual "Homecoming" game we faced the Crawford Colts for the second time ever, and won handily 38-14.

Bob Sanchez and Jerry Hosaka were outstanding on the line and as linebackers. Richard Stowell was outstanding as well as Adam Cato and Nolan McFarland.

LINCOLN vs. KEARNY

In a non-conference game, LHS was beaten by a small, but scrappy Kearny crew, 20-0. Here Lincoln had some tough breaks and could never quite get started

LINCOLN vs. SAINT AUGUSTINE

The gridmen of Hornetville closed the final chapter of football, losing 21-6.

Although Albert Catlin, Gary Rice, Lee Burkett and Louie Tucker played on outstanding game, the other Hornets could not provide a sting potent enough

Cross Country took a new look at Lincoln in 1959. Under the able guidance of Coach Dick Coxe, it was able to share first in the Eastern League with Crawford High. This marked a "first" in the Hive's Cross Country History.

The largest squad ever assembled here made good use of its depth. It won nine of ten "dual" runs.

Out of the four conference races it was victorious in three.

One of the country's top "roadrunners" was Lafayette "Mackie" McIntosh, who was first man all season for LHS. He broke the Park Boulevard Course Record and became the "first Lincolnite ever to go as far as the CIF Finals."

McIntosh and Ernie Portee were the squad's co-captains. Ernie received the "Most Outstanding Runner" award.

The "Most Outstanding Sophomore" award went to Mike Ishawaka, the "Most Improved" to Fred Brown.

All in all, the Harriers accomplished their goal which was to better themselves.

VARSITY WRESTLING

The Lincoln varsity wrestling team enjoyed one of the finest seasons ever, under the able guidance of Head Coach Al Walker who was new to the job.

During the season our Hornet grapplers proved they had what it takes to be a "power."

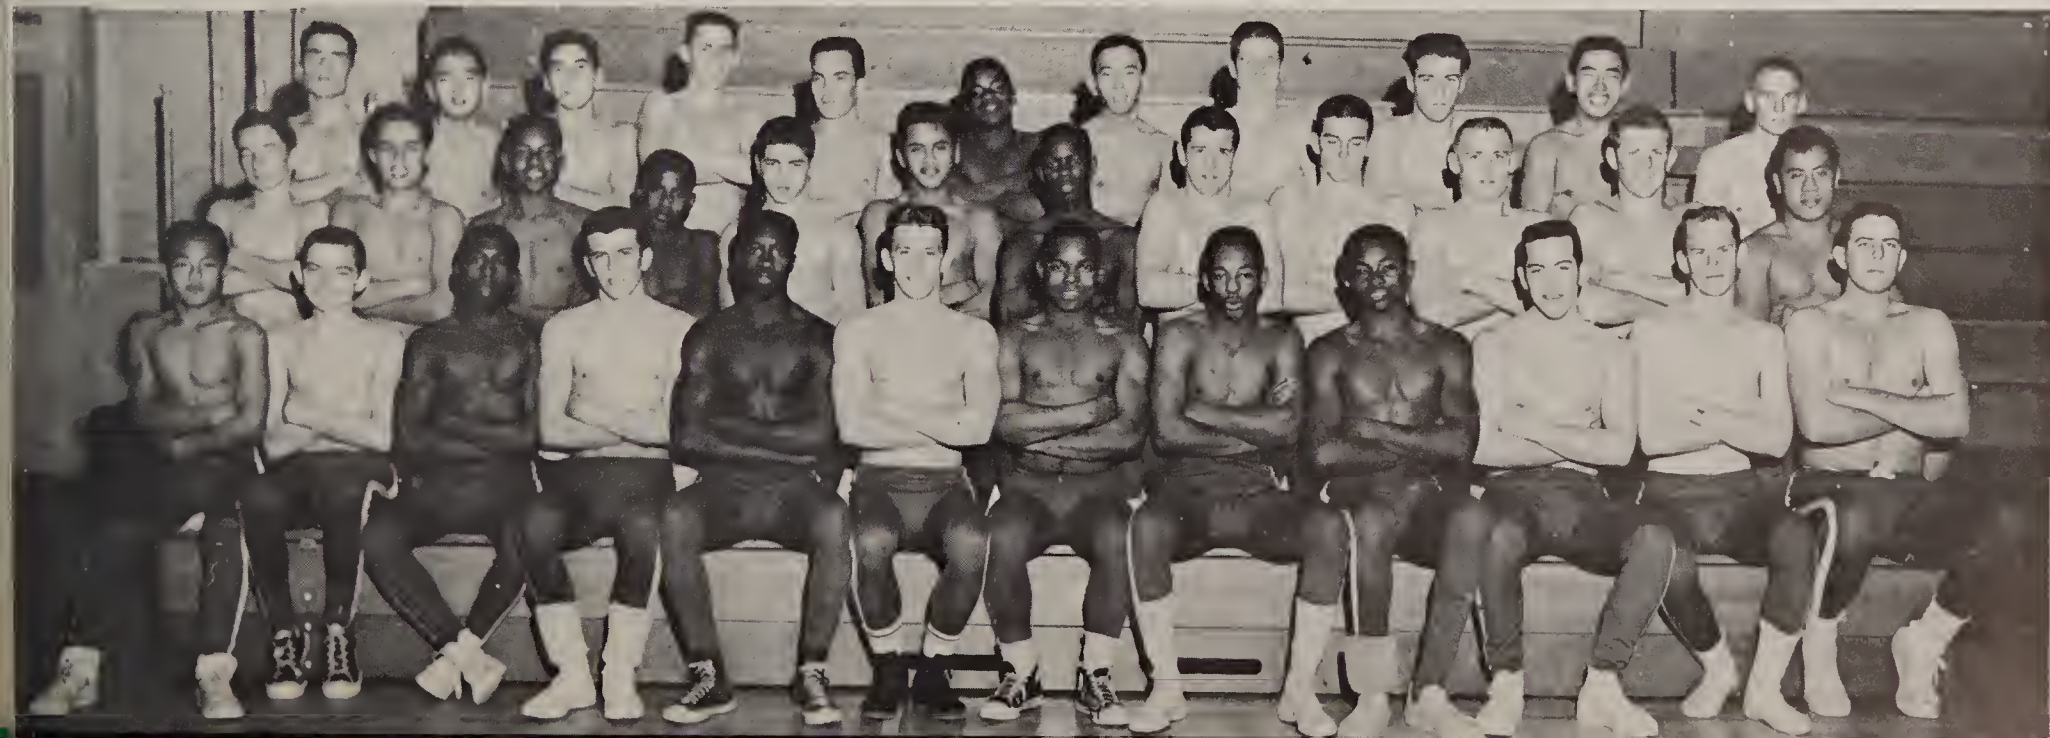

Although the Hive was runner-up in the Eastern League it went on to place fourth in the California Interscholastic Federation Southern Section Finals.

This was possible through the efforts of two of the finest wrestlers ever to come out of Lincoln. Alfred Lee Bennett and Joe Leavy reached the finals for the second year in a row and with great determination and competitive spirit each became a champion in his weight division.

Bennett was undefeated in all his matches during the season and received the "Most Outstanding Wrestler" award. Mike Stage was chosen "Most Improved."

In conference matches Lincoln was 2-1 and 6-5 overall.

The Lincoln varsity basketball team had its "ups" and "downs" in 1959-60. Against four other schools it won five and lost three games to place second in the conference.

One of its "ups" was the 46-42 victory over San Diego High. This game clinched a second place in the league. It also sent our hoopsters into the first round of the CIF playoffs against Helix High. Here was one of our "downs." We lost 59-46.

At the season's end, three Lincoln cagers earned berths on the All-League second team. They were: Tom Bell, Ash Joerndt, and Albert Catlin.

All season long, these boys led our team. They wound up as the three top scorers on the Hornet five respectively.

Bell and Catlin were voted co-captains by the team members.

New to the job of Head Basketball Coach was Mr. Warren Barritt who produced a quintet which was feared by its opponents. One of the unique things about the team was that, in the lineup, many times there were Juniors.

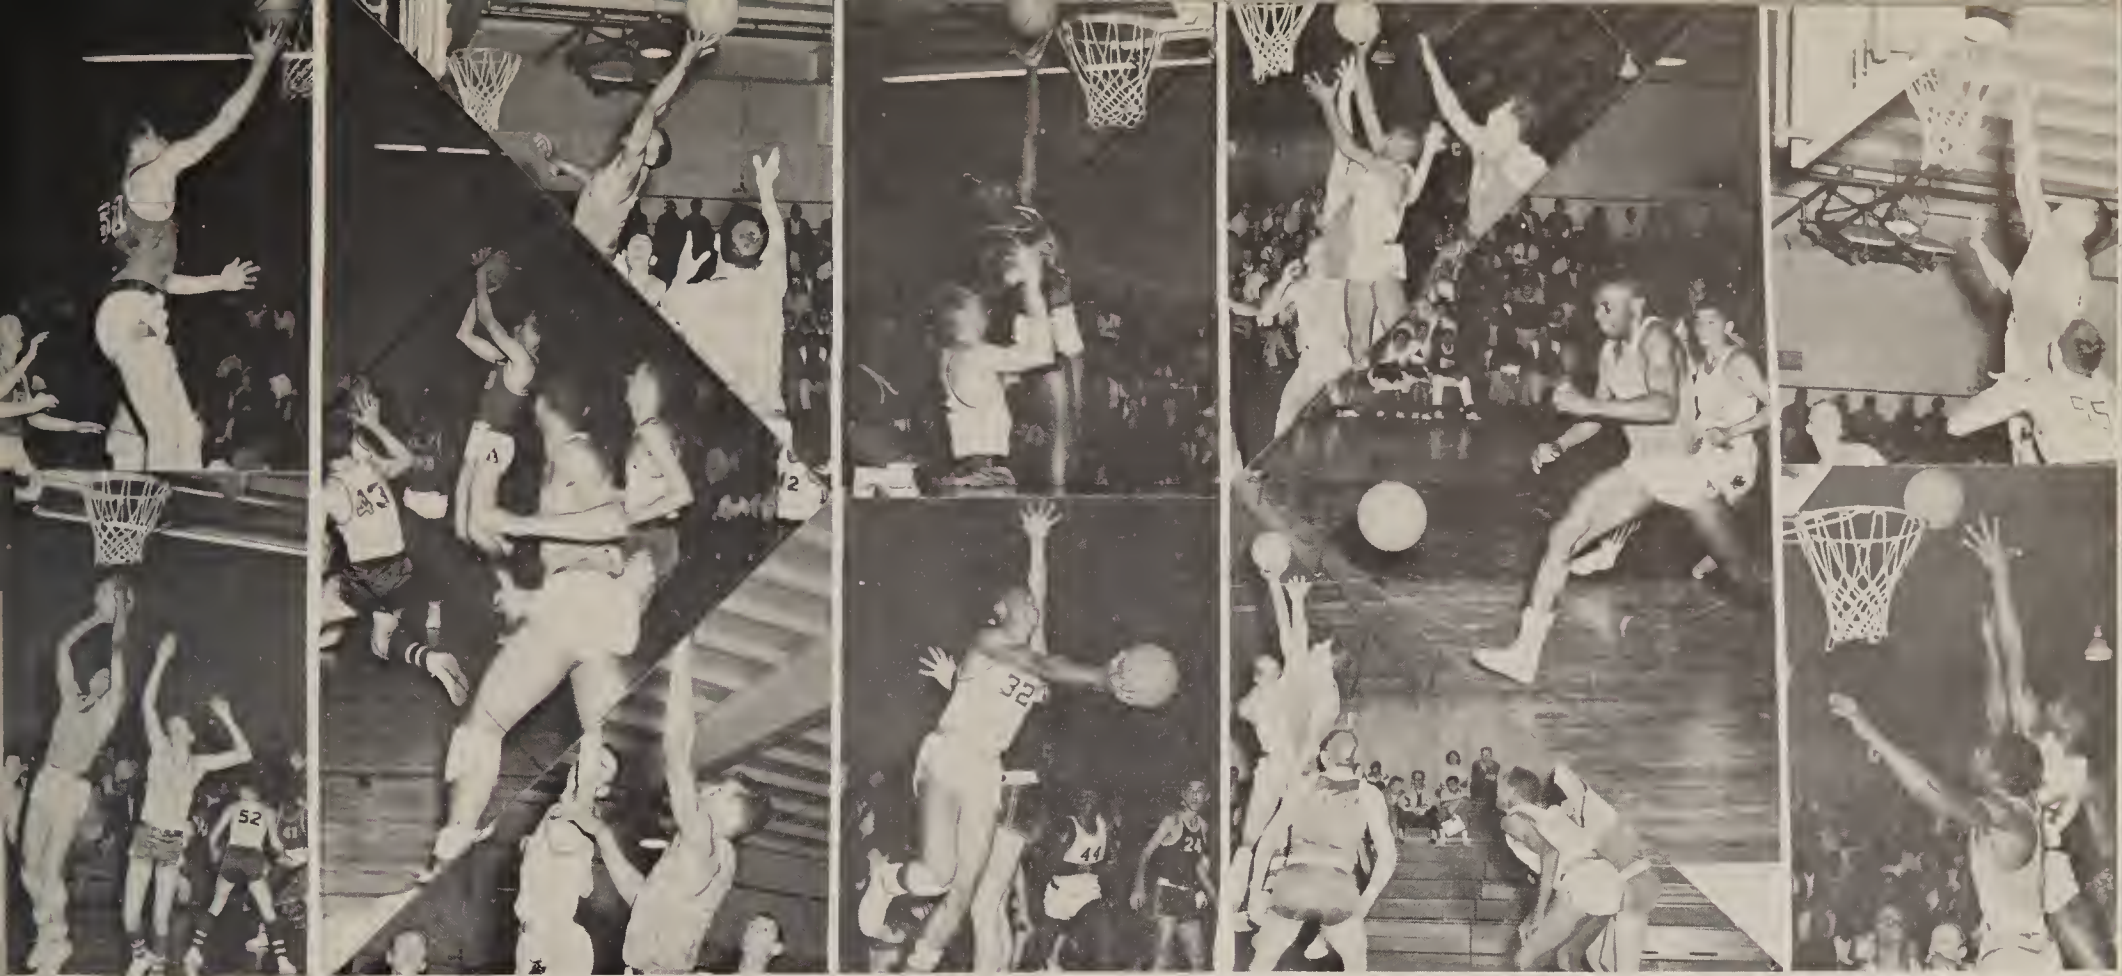

Many will recall this hoop campaign at Lincoln; not only because of the fine record the team compiled, but also, for its competitive drive found in all the boys on the squad.

HORNET

For the Track and Field teams that represented Lincoln, the year 1960, meant victory as well as satisfaction in a job well done.

Our boys were League Class "A" and "B" champions. This season marked the first time such a feat had been achieved by a hornet spike squad.

The hive went undefeated in varsity "A" and "B" class against its opponents in league "dual" meets.

Out of eight dual meets, the Hivers won six, lost one and tied one.

Highlights of the year were the exciting victory over San Diego High and winning first place at the National City Jaycee Relays in the Medium school division. We also placed high at the First Annual San Diego Easter Relays which were held in Balboa Stadium.

Head Coach Dick Coxe had to depend on such outstanding sophomores as Vernus Ragsdale, Walter Scott, and Larry Greenwood to get the job done, but also had fine performances from the veterans.

Mackie McIntosh broke two school records, in the mile and half mile runs. He spearheaded many of the Hive's victories.

Others who have made track successful this spring are Nolan McFarland — Broad Jump; Buddy Hayes — Sprints, Relay; Richard Howell — Shot Put; Ernie Portee — Mile, Half Mile; Alex Purtee — Quarter, Half Mile; Adam Cato — Pole Vault, Sprints, Relay; Alvin Williams — Low Hurdles, High Jump; and Gary Michael — Quarter Mile. These boys were standouts in their events.

a very good teacher. I hope you have a real
nice time in Hawaii this summer. Thank
